FROM THE PRINCIPAL

Thank you to all of the families who attended last Tuesday's Acquaintance Night. Students were so proud to have the opportunity to share their learning and classrooms with their loved ones. It was wonderful to hear such positive feedback from families regarding our school and staff. We are so fortunate to be a part of this school community.

Staffing Update

I am pleased to let our school community know that Kimberley Dickmann will be joining us as Assistant Principal from Monday 20th February. Kim brings with her a wealth of experience and knowledge in leadership, inclusive education and student wellbeing and will be an asset to our school community. Initially Kim will be in this role for term 1, with a process taking place later this term to fill this role for the rest of the year.

I can also announce that Oksana Diachenko will be taking on the role of Finance Manager from Wednesday 1st March for terms 1 and 2. A big thank you to Alicja Cheshire who has put her retirement plans on hold until we had filled this position. We appreciate Alicja's commitment to our school and in ensuring continuity as we began the school year.

Lastly, I would like to announce that Diane Lyon will be OSHC Director for terms 1 and 2. We thank Emma Lyon for her dedication to our OSHC students, staff and families during her time as Director and wish her all the best in her new role.

Dogs and Pets on School Grounds

Please note that dogs, other than an accredited disability dog, guide dog or hearing dog, are permitted to be on school grounds. Other animals and pets are not to be on school grounds without the permission and knowledge of school leadership. Thank you for your support in keeping our school community safe.

The tyre seems to be the place to catch up with friends! It's always great to see students working together and enjoying each others' company.

Regards

Karen

Our Values: Communication, Respect, Responsibility, Teamwork, Safety

ROOM 2 FEELINGS & COLOURS

We have been talking about feelings and the colours that we associate with feelings.

After talking about these colours and feelings the children added paint to their hearts showing the feelings they had had that day.

Some people think green is for being calm, others think red is for angry etc.

We used these feelings hearts to make Valentine's Day cards for our parents.

Welcome

Hi IFEPS families, my name is Kim Dickmann and I am very excited to be joining the staff team at Ingle Farm East Primary School on Monday. I have worked in schools for 25 years in a variety of roles, including classroom teacher, specialist Arts teacher and leadership positions.

I am passionate about student wellbeing, ensuring growth for every student and supporting students to grow as both a learner and person. Forming connections and relationships with students is my first priority.

I have 2 children of my own, one in Year 7 and the other in Year 9. When I'm not at school, I enjoy creative activities like sewing and painting and spending time with family at the river.

I am looking forward to getting to know you and your children over the coming weeks.

See you soon!

Kim Dickmann (Mrs D)

'Students don't care how much you know until they know how much you care.'

In-School Psychology is a leading provider of psychological services for young people in South Australia. In-School Psychology provides services to children, adolescents and families. Our services are offered at one of our clinic locations or if you are unable to attend our clinic we may be able to offer offsite services at primary and secondary schools. Our services include counselling, cognitive assessments, learning difficulty assessments, gifted assessments, group programs, parenting programs and consultation services.

We provide high quality support for children, adolescents, families, and schools for a range of issues.

We are professionals dedicated to providing outstanding and comprehensive services for children, adolescents, families, and schools. Our staff include Educational Psychologists, Clinical Psychologists and General Psychologists all with specific experience working with children, adolescents, and families.

If you wish your child to access visits at Ingle Farm East Primary School please contact the office and they will provide you with the relevant paperwork.

Give your child a great start in 2023

Book a tour today

At Ingle Farm Roopena Street, you and your child can enjoy the best of both worlds. Our centre offers a kindergarten program and long day care under the one roof. Our kindergarten teachers provide a play-based learning program that will support your child in learning the skills for school and life.

Call 8395 9544 to enquire!

Simple free download:
In Google Play and App Store search 'Skool Loop' and choose our school once installed.

ROOM 11 LEARNING & ACTIVITIES

A variety of our explorations in the classroom during week 1 and 2 in Room 11. Students enjoyed exploring our new learning space as they made their discoveries.
