## FROM THE PRINCIPAL

Welcome back to what will be an exciting term 4. All events that occur this term will continue to be done so taking into account the latest health advice available at the time. Parents will be notified of any changes or modifications to any whole school event prior to the event taking place. We are still asking that parents stay out of the buildings when picking up and dropping off children to reinforce physical distancing. It would be really helpful if all parents continue to support this.

I have received feedback that the vacation care program offered in the school holidays was a huge success. Congratulations Emma for organising such an exciting program. See inside this edition of the newsletter for a snapshot of activities offered.

I am very pleased to inform the school community that as part of their election campaign, the state government committed to upgrading a number of schools across regional and metropolitan South Australia. Following the release of the 2022-23 State Budget, I am able to confirm that Ingle Farm East Primary School has been allocated one million dollars to build a gym. Initial planning will begin later on this term.

For your information, we are just beginning to have discussions about our class structure for next year. Please let us know if you will not be here next year. Also, please tell us if you know of families that are looking to enrol a child at our school or have yet to make a decision about a school for next year. I am more than happy to conduct tours of our school to any potential new enrolments. All tours conducted will continue to be out of school hours.

Next Friday is World Teachers Day. I would like to acknowledge our teachers and thank them for the work that they do. It has been my privilege to have worked with so many outstanding teachers in my time at Ingle Farm East primary school.

Finally I would like to inform you that this term will be my last as principal of Ingle Farm East primary school. I have thoroughly enjoyed my time as principal of Ingle Farm East primary school and would like to thank the entire school community of students, staff and parents for their support over the last 10 years. Ingle Farm East primary is a school that we all should be proud of. Next year the principal of Ingle Farm East primary school will be Karen Gage. Karen has been Deputy Principal and acting Principal at Surrey Downs Primary School.

## School holidays

Our first day of October school holidays was a nice relaxing day in our PJs and watching movies. On Wednesday we went to AFL Max to use our energy, show off some of our footy skills, we did some rock climbing and even joined in some competitions. All the first week we had the Daytona machines and a pinball machine. We had a Daytona challenge on the Thursday before Dr Quark came to visit us with his Scientific

*Dr Quark and the Scientific Circus*

Circus. We all sat and watched Dr Quark perform and some of us even joined in. He was able to make plates spin around on long poles, balance and juggle all at the same time. He showed us that with every action there is a reaction. On Friday we made our own pizzas for lunch they were so yummy, we then made dessert pizzas for afternoon snack.

Our second week started with a visit from Darcy Farm Barn, we absolutely loved having cuddles with the animals. When the animals had gone we had a few science experiments, making our own slime, fireworks in a jar and a volcano. Tuesday we had a BBQ in the Nature play area, we enjoyed climbing the trees and building with branches and sticks. Wednesday we spent the morning at TTG gym sports with 3 gym coaches that showed us how to use some of the gymnastic equipment and played some games with us. Thursday we went to the TTP movies and watched DC League of Super Pets, we all really enjoyed this movie and when we arrived back at Vac Care we had a colouring in competition for anyone that wanted to join in. Our last day for the holidays we had a party day full of games and fun. One of the best parts were that we had a jumping castle for most of the day and our afternoon snack was party food.

We have already started planning for the next holidays and can't wait for them!

*Daisy and Sasha playing with the slim we had just made. They said it felt gross and sticky.*

*Liam making his own pizza for lunch*

*Rafael feeding the calf*

*Harrison learning how to hold a baby chicken.*

*A little group pretending to have a camp fire during Nature play.*

*Warming up for gymnastics*

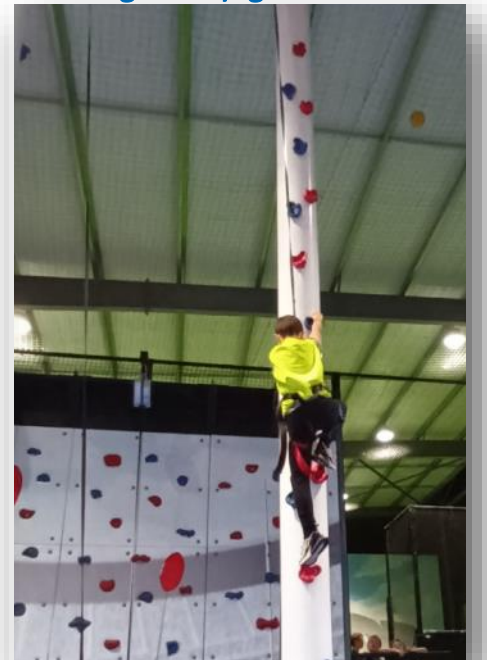

*Adrian and Koen holding and patting the guinea pigs*

*Juan balancing on the beam at gymnastics*

*Will playing with his prize he won on party day.*

*Declan showing no fear rock climbing at AFL Max*

Kevindeep and Finn racing on the Daytona machines

Ryan climbing the tower at AFL Max

## 2023 MATERIAL & SERVICES CHARGES

The 2023 Material and Services fees of \$269.00 will be approved at the next Governing Council meeting, to be held at Ingle Farm East Primary School in the staff room at 5.30pm on 1st November

If you wish to present a view of these fees, you are welcome to attend this meeting. In lieu of attendance at the council meeting, parents can express their views in writing to the chairperson prior to the meeting or contact the school.
