FROM THE PRINCIPAL

We have now reached the end of a very busy and positive term despite having a staggered start to the school year. I have decided to include in this edition of the newsletter highlights of the term as identified by some of our students.

- ◆ Gabriella - Pod 2b - I get lots of help
- ◆ Rezwan - Pod 2b - Sports day
- ◆ Bella - Pod 3a - Sports day
- ◆ Poppy - Pod 3a - Getting to play with my friends at recess and lunch
- ◆ Daisy - Pod 3b - Footsteps
- ◆ Koen - Pod 3b - Learning
- ◆ Janarli - Pod 1 - Writing
- ◆ Kobie - Pod 1 - Doing Minecraft challenges
- ◆ Amir - Pod 2a - Sports day
- ◆ Aston - Pod 2a - Maths
- ◆ Dhyani - room 2 - Sports day
- ◆ Mason - room 3 - Sports day races and the colour run
- ◆ Archie - room 3—Sports day
- ◆ Lakshdeep - Pod 2b - Sports day
- ◆ Tabitha - Pod 2b - Doing Maths
- ◆ Alex - Pod 3a- Sports day
- ◆ Indiana - Pod 3a - Footsteps
- ◆ Nevaeh - Pod 3b - Sports day
- ◆ Hudson - Pod 3b - Sports day
- ◆ Brandon - Pod 1 - Learning all the strategies in Maths
- ◆ Jazz - Pod 2a - Being a Sports day captain
- ◆ Amie - Pod 2a - Maths
- ◆ Aiden - Pod 2a - Representing the school on SRC
- ◆ Sophia - room 2 - Sports day
- ◆ Daphne - room 3 - playing on the playground

A reminder that Thursday is the last day of the term with students being dismissed at 2:05pm. It might be an idea for parents to check out the lost property that has been accumulated this term.

Just to give you the heads up that school photographs will take place during the first week back to school on Wednesday 4th May with the catch up day on Friday 6th May. There will also be a Mother`s day stall that week as well.

Early next term, our year 3 and year 5 students will be doing the NAPLAN test online. See your child`s class teacher or Matt for more information.

Finally, I would like to wish all families a safe and a happy Easter break and enjoy the time with your children over the school holiday period. Please help us look after our school by contacting Crime stoppers on 1800 333 000 or Police emergency on 131444 if you notice any vandalism to our school during the holidays.

Our Values: Communication, Respect, Responsibility, Teamwork, Safety

SPORTS DAY

More photos published today on Facebook

I NEED TO STAY HOME IF I

HAVE A FEVER	AM VOMITING / DIARRHOEA	HAVE A CONSTANT RUNNY NOSE/ HARSH COUGH	HAVE HEADLICE	HAVE AN EYE INFECTION	HAVE A RASH	AM NOT MYSELF
						
Temperature of 37.5 degrees or higher	Within the past 48hours	Thick coloured discharge & a barking or moist cough	Itchy head with active head lice	Redness, itching and discharge from the eye	Body rash/aching & fever	May be pale lethargic and generally not feeling well.

I AM READY TO GO BACK TO SCHOOL WHEN.....

I am free from fever for 24 hours without the assistance of Panadol or Nurofan	I have been free from vomiting & diarrhoea for 48 hours	I only have a clear runny nose & mild infrequent cough	I have had the appropriate lice treatment at home	I have had appropriate treatment and don't have any discharge from my eyes	I am free from rash, itching and fever and seen a Doctor if needed	I am back to my usual self, active and playful
--	---	--	---	--	--	--

If your child has a bacterial infection, he/she should stay at home until the antibiotic has been given for at least 24 hours and your Doctor has given you permission for your child to return to school

We encourage you to seek medical attention if you have concerns about your child, and follow your Doctors recommendations about returning to school and other activities.

In the best interest of your child and the wider community, if your child is unwell keep them at home.

CUBISM—pod 1

In pod 1, we have been learning cubism art. With cubism art nothing should make sense. The first time we tried, we used pencil then coloured all the shapes with oil pastels. We then realised our art had mostly curves not cubes. So the second time we did it, we didn't use pencil and went straight with oil pastels, it made our art have more features.

By Mia & Bella

Cubism is a style of art which aims to show all of the possible viewpoints of a person or an object all at once. It is called Cubism because the items represented in the artworks look like they are made out of cubes and other geometrical shapes. Cubism was first started by Pablo Picasso and Georges Braque. Analytical Cubism is the first type of cubism. Most analytical Cubists painted and drew in monochrome (only one colour) so that the person who was looking at the painting did not pay attention to colour, but only to the shapes and the forms that were being shown.

This was changed in 1912 when Picasso first started painting with colours and using collages. Collage is when you glue together different cut-up pieces of paper to make an artwork. This new form of Cubism was called Synthetic Cubism. Picasso invented collage because he was tired of the way he was making his art, and wanted to try out something new. Pablo Picasso created over 20,000 pictures. From 1912 to 1919 was Picasso's Synthetic Cubism Period.
