## **FROM THE PRINCIPAL**

Last week my son and daughter in year 6 were teaching me about triangle numbers as they prepared for a maths test. How exciting to walk down the corridor the next day and see triangle numbers appearing right before my eyes! A wonderful reminder that play provides so many rich experiences for students that connect them to learning and big ideas.

Last Friday's Pupil Free Day provided staff with the opportunity to work as a team to collaborate and discuss strategies to increase student engagement and improve students' self-regulation, relationships and wellbeing. I am so proud to be part of such an enthusiastic and passionate team of educators who work each day to provide quality learning and care for all students.

This week students in Years 3 & 5 sat the first of their NAPLAN tests. NAPLAN is about assessing current knowledge and skills in reading, writing, language conventions and numeracy. This is just one form of assessment that teachers use to identify areas where students might need additional support or challenges. We have been proud of the way students have approached these tests with a positive attitude and used the opportunity to demonstrate their skills and abilities.

Sports Day will be held on Thursday 6th April. Students have been practising for events with Mr Joy in PE lessons. We invite all families to join us on this day to cheer on students. All students have been assigned to a team, please see your child's class teacher if you require information regarding their team colour. Keep an eye out for further information coming home about this day.

# CHOIR CONNECTION REHEARSAL

On Tuesday the year 5 & 6 choir students went to Ardtornish Primary School with three other schools. We had a big rehearsal with Cathy from the Festival of Music.

We learnt Proud Mary, South Australian Seas, Whisper, Charleston and Smile.

We enjoyed singing with other schools and got to hear what it sounds like with more voices.

## SCHOOL PHOTOGRAPHS WILL BE TAKEN ON: WEDNESDAY 3rd MAY 2023

### the code TLV EDK 7RM

Dear Parents,

School photographs are scheduled to be taken by advancedlife. Whilst an envelope and flyer will be distributed shortly, if possible it is our preference that ordering be completed online to reduce administration and potential security issues related to the return of cash and envelopes on photo day.

Orders for packages and sibling photographs can be placed securely online at [www.advancedlife.com.au](http://www.advancedlife.com.au) using our school's unique 9 digit advanced order code. Portrait and group package orders are due by photography day.

Should you wish to purchase a sibling photograph online, the order must be placed no later than the day before photography day. Sibling photographs will only be taken if an order has been placed.

Should you have any queries concerning school photographs or online ordering, please contact us at [www.advancedlife.com.au/contact](http://www.advancedlife.com.au/contact)

### school photographs are coming up soon

Please note: Traditional, Composite or High-Resolution Virtual Group format is chosen by your school. Sibling photos, if available, can also be ordered online and must be ordered prior to your photo day. A late fee will apply for photos purchased after ordering has closed.

In-School Psychology is a leading provider of psychological services for young people in South Australia. In-School Psychology provides services to children, adolescents and families. Our services are offered at one of our clinic locations or if you are unable to attend our clinic we may be able to offer offsite services at primary and secondary schools. Our services include counselling, cognitive assessments, learning difficulty assessments, gifted assessments, group programs, parenting programs and consultation services. **We provide high quality support for children, adolescents, families, and schools for a range of issues.** We are professionals dedicated to providing outstanding and comprehensive services for children, adolescents, families, and schools. Our staff include Educational Psychologists, Clinical Psychologists and General Psychologists all with specific experience working with children, adolescents, and families.

## how to order

### order online

Online payment options include Visa, Mastercard and PayPal. Alternatively, you can choose to pay over 10 weeks using LatitudePay.

#### STEP 1

Go to [www.advancedlife.com.au](http://www.advancedlife.com.au) on your computer, phone or tablet.

#### STEP 2

Enter your school code:

**TLV EDK 7RM**

in the 'order and download' box. This will take you to your school's secure online ordering site.

#### STEP 3

Click on 'Order Photos' and complete your details and procedures. During this process you can place orders for additional children at your school and sibling photos, if available

School photographs will be returned approximately 6 weeks after the day of photography.

Please note this delivery timeframe is dependant on proofing and additional photography days at your school.

#### IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.

Contact us: [www.advancedlife.com.au/contact](http://www.advancedlife.com.au/contact)

**If you wish your child to access visits at Ingle Farm East Primary School please contact the office and they will provide you with the relevant paperwork.**

# PARENT FORUM

## March 24th 2023 Adelaide

You are invited to a Parent Forum for parents and carers of children and young people with disability.

The forum will include:

- An update on the Autism Inclusion Teacher Initiative
- An introduction to the AIM Team and their work
- Parent Engagement – Supporting school connections

The forum will provide a safe and supportive environment to share your experience, obtain information and helpful strategies as well as providing the opportunity to have your questions answered. The information you provide will also assist us in the planning of future forums. This workshop is for a limited number of parents and carers and will be held maintaining current COVID 19 guidelines.

The Parent forums are an initiative established to inform and engage parents or carers about the services and support available for children and young people with a disability and to provide an opportunity to listen to the voices of their families. The information presented and the knowledge gained through shared discussions, table talk and workshops with the parents and carers further develop and help inform policy and future direction. The questions raised and topics requested are ongoing, informative and challenging. This page has been established so parents can access the wide range of material that have been created through the forums and linked to the Parent Forum summary report including keynote PowerPoints, video presentations and summaries of the day's activities.
