FROM THE PRINCIPAL

Research shows that attendance at school all day and every day positively affects learning, wellbeing, employment and life outcomes for children and young people. Learning is cumulative and it is disrupted if students often miss school.

Staff have spent time this term reviewing and updating our School Attendance Policy and processes. We continually strive to support students and families to reach our target of 95% attendance.

Please remember that:

- School starts at **8.55 am** each day and finishes at **3.05 pm**.
- A parent or carer must provide an explanation if their child is absent, late or has to leave early.
- All students must be signed in and out at the front office.

Ingle Farm East PS Attendance

(2023 year to date)

85%

If you need assistance to support your child to attend school regularly or arrive on time, please speak to their class teacher or make a time to speak with a member of the leadership team.

This week I met with a DfE project manager and architects to discuss the plans for our school gym. While this project is in the early stages of planning we are excited for the creation of this new learning area that will be accessed by all students. Watch this space for future updates.

Thank you Lisa! On behalf of our school community I would like to say a big thank you to Lisa Pena who has worked tirelessly as our Pastoral Care Worker. Lisa will have her last day in this role next Monday. We hope to continue to see Lisa around the school as a TRT. Thank you Lisa for your kindness, compassion, Lego and music!

I would also like to announce that our ACEO, Lochie Buckskin-Stephenson, will be leaving us at the end of Week 10 to undertake a new role at Golden Grove High School. We look forward to welcoming Lochie back for the opening of our Bush Garden next term.

I will keep families updated on who will fill both the PCW and ACEO roles once I have received this information.

We look forward to welcoming families to Sports Day
next Thursday 6th April.

Go Comets! Go Rockets! Go Lightning!

Our Values: Communication, Respect, Responsibility, Teamwork, Safety

POD 2A ROCK COLLECTION

For science this term, year 3's have been looking at the type of rocks that are formed. The whole class collected some rocks. They then classified the rocks using their own criteria.

Rock

A relatively hard, naturally occurring mineral material. Rock can consist of a single mineral or of several minerals that are either tightly compacted or held .

SCHOOL PHOTOGRAPHS WILL BE TAKEN ON: WEDNESDAY 3rd MAY 2023

the code TLV EDK 7RM

Dear Parents,

School photographs are scheduled to be taken by advancedlife. Whilst an envelope and flyer will be distributed shortly, if possible it is our preference that ordering be completed online to reduce administration and potential security issues related to the return of cash and envelopes on photo day.

Orders for packages and sibling photographs can be placed securely online at www.advancedlife.com.au using our school's unique 9 digit advanced order code. Portrait and group package orders are due by photography day.

Should you wish to purchase a sibling photograph online, the order must be placed no later than the day before photography day. Sibling photographs will only be taken if an order has been placed.

Should you have any queries concerning school photographs or online ordering, please contact us at www.advancedlife.com.au/contact

school photographs are coming up soon

Please note: Traditional, Composite or High-Resolution Virtual Group format is chosen by your school. Sibling photos, if available, can also be ordered online and must be ordered prior to your photo day. A late fee will apply for photos purchased after ordering has closed.

In-School Psychology is a leading provider of psychological services for young people in South Australia. In-School Psychology provides services to children, adolescents and families. Our services are offered at one of our clinic locations or if you are unable to attend our clinic we may be able to offer offsite services at primary and secondary schools. Our services include counselling, cognitive assessments, learning difficulty assessments, gifted assessments, group programs, parenting programs and consultation services.

We provide high quality support for children, adolescents, families, and schools for a range of issues.

We are professionals dedicated to providing outstanding and comprehensive services for children, adolescents, families, and schools. Our staff include Educational Psychologists, Clinical Psychologists and General Psychologists all with specific experience working with children, adolescents, and families.

how to order

order online

Online payment options include Visa, Mastercard and PayPal. Alternatively, you can choose to pay over 10 weeks using LatitudePay.

STEP 1

Go to www.advancedlife.com.au on your computer, phone or tablet.

STEP 2

Enter your school code:

TLV EDK 7RM

in the 'order and download' box. This will take you to your school's secure online ordering site.

STEP 3

Click on 'Order Photos' and complete your details and procedures. During this process you can place orders for additional children at your school and sibling photos, if available

cash/envelope ordering

Your school prefers orders to be placed online. However, if you are unable to order online, please complete your order using the order envelope provided.

STEP 1

Complete a separate order envelope for each individual child's package/s ordered. If ordering for more than one child, payment should be enclosed in the envelope of the eldest child and this should be indicated on the envelope of the other child/children (the envelope that does not have cash enclosed).

STEP 2

Enclose exact cash payment in one envelope for the package/s you are ordering. Payment for more than one child should be in the eldest child's envelope and marked at the bottom of the envelope in the space provided.

STEP 3

Return your completed envelope/s, with correct cash payment, to our photographers on the day.

Please note: You must enclose exact correct payment, as change is not available. Credit card payments can only be made online and we no longer accept cheques. There is a separate envelope for sibling photo orders, should your school choose to offer sibling photos.

School photographs will be returned approximately 6 weeks after the day of photography.

Please note this delivery timeframe is dependant on proofing and additional photography days at your school.

IMPORTANT - "not for publication" students

If you have instructed your school that your child's image is "not for publication" (sometimes called "do not publish" or "not for media release" instructions), the school will ensure that your child is not presented to our photographers on photo day and school photographs will not be available for purchase. If you wish to change your instruction, then you must notify your school, so they change their records and identify your child as able to be photographed for school photography purposes. All students presented to our photographers by your school on photo day will be photographed, their images will appear in school photography packages with their fellow students and these packages will be available to purchase by all families.

Covid 19 Guidelines

Any parents who are unwell with any Covid-19 symptoms must not attend.

Please maintain physical distance when lining up at canteen or using the toilets, hand sanitiser will be available at scoring tent (Canteen will be open all morning)

I NEED TO STAY HOME IF I						
HAVE A FEVER	AM VOMITING / DIARRHOEA	HAVE A CONSTANT RUNNY NOSE/ HARSH COUGH	HAVE HEADLICE	HAVE AN EYE INFECTION	HAVE A RASH	AM NOT MYSELF
						
Temperature of 37.5 degrees or higher	Within the past 48 hours	Thick coloured discharge & a barking or moist cough	Itchy head with active head lice	Redness, itching and discharge from the eye	Body rash/aching & fever	May be pale lethargic and generally not
I AM READY TO GO BACK TO SCHOOL WHEN.....						
I am free from fever for 24 hours without the assistance of Panadol or Nurofan	I have been free from vomiting & diarrhoea for 48 hours	I only have a clear runny nose & mild infrequent cough	I have had the appropriate lice treatment at home	I have had appropriate treatment and don't have any discharge from my eyes	I am free from rash, itching and fever and seen a Doctor if needed	I am back to my usual self, active and playful
If your child has a bacterial infection, he/she should stay at home until the antibiotic has been given for at least 24 hours and your Doctor has given you permission for your child to return to school						
We encourage you to seek medical attention if you have concerns about your child, and follow your Doctors recommendations about returning to school and other activities.						
In the best interest of your child and the wider community, if your child is unwell keep them at home.
