ROOM 3 SOCIAL SKILL LEARNING

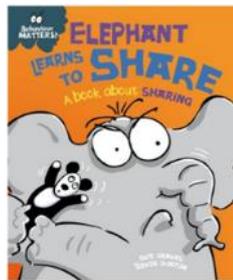

This term we have been reading a series of big books written by Sue Greaves that are based around our feelings and how we can manage the 'big' feelings we might have. They are lively picture books that examine issues like being angry, feeling worried and not sharing, in an amusing but reassuring way through animal characters. The stories offer gentle ways to reinforce good behaviour.

After we have read the books and discussed them, the children have a chance to do a craft activity based around the main character of each story. So far we have made our lions using paper plates and curling paper to make the manes. We used old cardboard boxes to make our 'worry' monsters and made a 3D patchwork elephant.

The children love the craft activities and relate the stories to events that happen to them in the class. Some children have been writing their worries down and feeding them to their worry monster as a way of putting aside their worry if it doesn't need to be dealt with straight away.

The elephant wasn't sharing so other animals taught him how to share.

Gursimran

I liked cutting the elephant out and putting paper on.

Dilshaan

Elephant was mad in the story Mrs Fulton read. He wasn't sharing. We made them so we can learn to share.

Tiana

Mrs Fulton read us a book so we made the lion.

Deacon

I have only 1 worry in my monster.

Blake

Fill in our worries if you miss your mum and you can write it down

Sasha

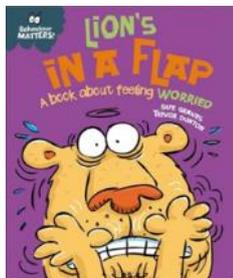

We put our worries in her mouth

Avalon

Lion was nervous in the story

Tiana

Our class made lions that were I'm a book -Daphane

SAPSASA NETBALL

This year SAPSASA netball we only had 4 weeks to train. We had to train every day at lunch time for 30 minutes. In the time that we were training, we only had 4 weeks to learn all the positions, rules and how to play. Roz and Mrs Fulton would put us in different positions to see what we were good at. The positions that we had were: Janarli Goal Keeper, Isabella Goal Defence, Wing Defence played by Peace and Riley, Wing Attack played by Gemma, Goal Attack played by Jasahia, Goal Shooter played by Nevada and Centre played by Jazz and one spare so that we could swap places. We would play against each other in training so that we could get the hang of how we were going to play in the real game.

The official game day was on Thursday week 5 of term 2. We travelled to Dernancourt Primary School for our games. We had to play 2 games with a 20 minute break in between. The schools we played against were Dernancourt and Northfield. We played against Dernancourt School first and the score for the game was 19 goals to 16 goals, with us (Ingle Farm East) scoring 19 and Dernancourt 16. Game 2 was against Northfield, we tied 13 all. Unfortunately we didn't progress into the next round. It was devastating for us, but everyone on the team put in their best effort on the day.

Finally, we would like to say a huge Thankyou to our coaches that made this all possible. Thank you so much to Roz and Mrs Fulton for coaching us and supporting us through our good days and bad days. I know it was very hard to teach the team in such a short time period, but you guys tried your best to make this all possible.

Jump Rope for Heart

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for 40 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started, schools like ours have raised more than \$101 million for the Heart Foundation's life-saving work.

It's important you [register your child online](https://www.jumprope.org.au/parents), so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started. www.jumprope.org.au/parents

Thank you for supporting the Jump Rope for Heart program!

City of Salisbury 2022 NAIDOC Week – Cultural Bus Tours

NAIDOC Week celebrations are held across Australia in the first week of July each year to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. At the City of Salisbury, Reconciliation is important to us. We have a long history of delivering programs to enhance relationships, respect and opportunities with the Aboriginal community.

The City of Salisbury is proud to announce that Frank Wanganeen will be leading the cultural bus tours visiting the Kaurna Park Wetlands and Greenfields Wetlands. There will be bus tours from 10am to 11.30am leaving from the Salisbury Community Hub on the following days:

- Friday 1 July
- Monday 4 July
- Wednesday 6 July
- Friday 8 July
- Monday 11 July
